

# FiguraGeometrica

```
classDiagram
    class FiguraGeometrica
    class putBox
    putBox --> FiguraGeometrica
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'FiguraGeometrica'. Below it is another box labeled 'putBox'. A vertical arrow points from the 'putBox' box up to the 'FiguraGeometrica' box, indicating that 'putBox' inherits from 'FiguraGeometrica'.
